Boost your global export sales at INTERMAT 2018

Why Exhibit in the North American Pavilion?

The North American Pavilion to help small and medium sized companies reach and do business in the global market. The pavilion program provides a high return on investment and helps participants make the most of important international marketing opportunities.

The benefits you will gain from exhibiting in the North American Pavilion include:

- **High visibility.** Small and medium-sized exhibitors can easily get lost in the crowd at a huge global show. The pavilion is an opportunity for you to stand out.
- **Prime location.** The North American Pavilion occupies a highly desirable central location on the show floor.
- **Logistical assistance.** A fully-assisted, exhibitor- friendly process from registration through show dates is assured by Imex Management in the U.S. and on-site in Paris.
- **Exclusive services.** Full access to the Pavilion lounge and meeting rooms, the internet, shared multi-lingual interpreters, free exhibitor badges, assistance with shipping, hotel arrangements, etc.
- **Customized look.** The Pavilion booths have a modern design that may be customized to meet your specific needs. Add company graphics, a multitude of furniture upgrades, audio/visual equipment, high-speed internet, and just about anything else!

Raw Space or Turnkey Packages are Available

Your complete turnkey booth includes all of the features you need for an effective participation:

- All-inclusive stand-fitting service
- Attractive booth design
- High quality wall-to-wall carpeting and lighting
- Fascia with company name and booth number
- 1 table, 2 chairs, 1 lockable demonstration counter
- 1 electrical outlet
- Daily cleaning service and wastebasket
(Additional furnishings sold separately)

Booth design subject to change
