## The most established showcase of oil & gas products, equipment, and services in the Middle East

As the geographic center of the most important hydrocarbon region in the world, Bahrain was the obvious location for the inaugural MEOS event in 1979 – the Gulf’s first oil and gas show. Over the last 40 years, MEOS has become the most established exhibition of oil & gas equipment, products and services in the Middle East, attracting major NOCs, IOCs and leading industry operators.

MANAGEMENT

# Let IMEX help grow your export sales in the North American Pavilion at MEOS 2019

## Why Exhibit in the North American Pavilion?

The benefits you will gain from exhibiting in the North American Pavilion include:

- **High visibility.** Small and medium-sized exhibitors can easily get lost in the crowd at a global show. The pavilion is an opportunity for you to stand out.
- **Prime location.** The North American Pavilion occupies a highly desirable location on the main aisle of the show floor directly leading to the SPE Conference.
- **Logistical assistance.** A fully-assisted, exhibitor-friendly process from registration through show dates is assured by IMEX Management in the U.S. and on-site in Bahrain.
- **Customized look.** The Pavilion booths have a modern design that may be customized to meet your specific needs at an additional cost. Add company graphics, a multitude of furniture upgrades, audio/visual equipment, high-speed internet, and just about anything else!

## North American Pavilion Booth Features

Your built-up booth will include all of the features below:

- All-inclusive stand-fitting service
