Asia's Leading Oil & Gas Event Returns In 2019

The 17th Asian Oil, Gas & Petrochemical Engineering Exhibition will return to Kuala Lumpur Convention Centre (KLCC), Malaysia from 18 - 20 June 2019. Oil & Gas Asia has been running since 1987 and for the past 31 years, the show has become one of the most successful Oil & Gas shows in the region, showcasing the latest and most effective tools, products, equipment and machinery in the world of Oil, Gas & Petrochemical Engineering.

Oil & Gas Asia in 2017 saw the participation of 1,641 companies from 47 countries/regions, played host to 11 high-level international country/regional pavilions and welcomed 21,800 trade and professional visitors, proving once again that the event is the ultimate platform for Asia's Oil & Gas industry.

With the strong support from the Malaysian Gas Association (MGA) and the Malaysian Oil & Gas Services Council (MOGSC), OGA will continue to provide opportunities and support industry efforts that lead to continual growth.

"We have been participating in OGA all these years and we will continue to be here. Through OGA, we have strengthened our relationships with existing clients and we are eager to support them as well. We are looking forward to OGA 2019 and in the coming years. We see there is quite a big turnout in terms of people visiting and companies exhibiting this year, it is very well managed and congratulations to the organisers."
