Top Reasons to Exhibit

- The United States exported \$16 billion of high-value, consumer-oriented products to Canada in 2016, roughly 80 percent of the total value of U.S. exports to Canada.
- SIAL Canada is the ONLY Canadian food show dedicated to the retail, food-service and food processing sectors.
- Canada provides an excellent opportunity for new-to-export small and medium-sized companies.

SIAL Canada has been absolutely wonderful for us. We look forward to working with new distributors we have identified during the show. It has been excellent!
