

Welcome to VIV & ILDEX

Global trade exhibitions for intensive animal farming Your ticket to increased export sales

Since 1978, the VIV brand has been the highest international standard for trade exhibitions serving the intensive animal farming industry. VIV & ILDEX offer a total “Feed to Food” concept to North American companies – a program of unique and comprehensive events for reaching the world’s most important markets for animal protein production.

VIV & ILDEX exhibition profiles include every step of the supply chain:

- Field management and milling
- Animal feed, ingredients, and additives
- Animal health
- Breeding and hatching
- Farming and housing
- Processing and packaging
- Refrigeration and logistics
- Knowledge transfer and consultancy

With nine exhibitions in Europe, the Middle East, Asia, and Africa, VIV & ILDEX shows are thriving forces around the globe. Bringing together over 3,000 international exhibitors and 100,000 trade visitors from 145 countries, there is no better way to develop your export sales.
